**GOD IS! Why Evolution Isn't**

By GOD'S grace I have been able to complete the book I began to write this past spring. It is now at the publishers, Xulon Press out of Florida. If everything goes smoothly, it should be available in a couple of months. I have sensed GOD'S direction in writing it and have sought to be faithful to His Word. I believe that everyone who carefully considers and tests every thought and truth presented in it, by the revealed truth of GOD'S SPIRIT in His Word, will be challenged and encouraged through its message. I believe that it is an especially important message for our generation today, many of whom have turned away from GOD because of belief in the evolutionary theory. Real experimental science bears witness to the glory of GOD revealed in the amazing reality of the unfathomable complexity in our universe and in life. GOD IS who He is. His infinite wisdom, power, holiness, love and truth are completely contrary to the evolutionary mythology believed by many people today. I believe that the LORD is going to use this book to strengthen the faith of believers in CHRIST whose faith is under attack from every side, help those who are seeking to know who GOD is, and to challenge unbelievers to consider the reality of GOD.

*Thank you for your prayers and support during this past year. May the joy and peace of our LORD JESUS CHRIST fill your heart and home this New Year.*

*“Now to Him who by the power of the HOLY SPIRIT at work within us, is able to do far more abundantly than all that we ask or think, to Him be glory in the Church and in CHRIST JESUS, to all generations, forever and ever! Amen!” (Eph 3:20,21).*
